Property Description

Two storey detached house with total area of €. 1,106 sqm within a plot of 2,369 sqm in Dionysos Attica. It consists of a basement (642 sqm) which is below ground level, but due to excavation it functions as a ground floor. It includes a 5.00 m x 12.50 m indoor indoor swimming pool and has comfortable changing rooms, baths and a sauna. There is a large open plan area that includes a bar and DJ setup, as well as a home cinema area. In addition, the property has a two-room guest house with bathroom and W.C., maid's bedroom and a 50 sqm parking space connected to auxiliary spaces. These utili...
